

Welcome to Diddily Ducks

Information

Lets find out what it is all about

Our Puddle Ducks Family

Introduction

Introduction

This is where the journey begins like any great story. Diddily ducks is a place where magic can start to happen and imaginations self confidence and vocabulary starts to grow. Diddily Ducks will be at the same place yet the story will always change and develop as our children grow in confidence they language starts to develops along with their imagination. Amazing memories and adventures that take place at Diddily Ducks.

We will help each other develop and grow together, care for each other and our environment around us we will care for the animals we have.

All of this will be embedded using the early years Developmental Matters and the Early Years Foundation stage 2021 as we feel both can work for different reasons and Childs development.

learning together

Caring for our animals learning how to touch them.

Enjoying being outside in all the different seasons

Taking part in different festivals though out the year

Important information

Children will need to have suitable clothing for indoors and out doors as there is no such thing as bad weather just bad clothing. We love the outdoors and we try to be outside as much as possible.

The children will have opportunity to:

- Role play independently .
- Climb and run and jump,
- Problem solving, resolving conflict, developing self help skills, Independence in readiness for the Puddle Ducks room.
- We love construction building dens, with lots of different materials, we love stories and acting out our stories going on a dinosaur stomp for one example.
- We added items as the story evolves in to our tuff spot.

what you will need

We will need you to bring a bag containing

- . nappies and special wips if they need them or creams
- . Spare Cloths including socks and grows .
- . Warm layers if cold we can take lays off but if you don't have them we cannot put them on.
- . Coat for winter or rain coat if in then summer.
- . wellies for the winter slippers for inside in the winter.
- . suncream and hat for the summer.
- . special item for comfort.

Diddily Ducks learning

We love using the environment around us to enhance the children learning. We have been in the field with the rabbit Geff and the sheep Blossom and Baily

Being independent, leading their own learning through their own interest.

Using real items for small motor skills touching different materials picking up small objects.

we can't wait to welcome you to our Puddle Ducks family

You will get notifications from Tapastry and Babydays

Baby Days

This is where you will find all the Policies, contracts accident forms quick messages this is our admin sight, you will also be asked to filling funding forms here when your child gets the government funding whether it be 2 year old or 3 year old. when your child is three you may also be entitled to 30hrs funding we accept this too. If you are asked to sign a form or document please can you do this for us so that all our documenting is up to date. The best way to access this is through a iPad or computer the app is not as good and you cannot sign documents on it.

Tapestry

This is your Childs learning Journey it is also where we put up announcements too, such as if we are holding a children in need day, or if we set you a challenge it will come through here. The brilliant part of tapestry is you can upload pictures from home so we can see what your child gets up to at home. Please do comment of your Childs day it is lovely to know you have seen it too. We also love seeing and talking about what your child has been up to when they are not at Puddle ducks.

Puddle Ducks web page

Here there are lots of useful help and advice too.

Invoices

These should come through each month at the beginning for the month for the previous month, however that can be a little late, as I do not always get in the office. Also I am not perfect so if your invoice looks wrong please let me know as I do get interrupted when doing them and I most certainly can make mistakes, so I will say now thank you for checking them for me. If there is something wrong just give us a call or drop me an email and I will sort it.

Last but not least

We are a small setting we are human we may not always get everything right and we can make mistakes, but if we all work together then we can develop, we ask that if anything however small happens at home if you can let us know as this can also have a big impact in your Childs behaviour and we want to support you all the best we can. If we feel that your child may need some extra support we will come and see you and talk to you about this, however we will look at all the information we have gathered as to why we feel extra support is needed, if we do come to you don't worry as children all develop at different speeds and abilities, and just because a child needs a little support at the moment does not mean it will be for ever.
