Lets find out what it is all about

Our Puddle Ducks Family

Introduction

We are here to support families who need childcare before and after school, and in the holidays. Children spend a long time in school so when they come to us we let them run free how do we do this.

We walk the children to and from school, this supports their development through exercise before having to sit in a classroom, and once they come out gives them chance to run and be free to unwind. If the weather is bad we will use the car don't worry.

We let the children explore the field and play ball game, they can look after the animals, and enjoy colouring and arts too.
